

Thank you for choosing *I Choose Change* for help with your counseling needs. Our Licensed Professional Counselor Interns (LPC-Intern) allow us to provide quality counseling at a reduced rate. Your Counselor Intern has completed a master's degree in counseling from an accredited graduate school, and has passed the Texas State Board of Exam for Licensed Professional Counselors.

A Licensed Professional Counselor, who has additional training and is licensed by the State of Texas to do so, oversees all counseling cases. The supervisor will periodically review and discuss your counseling sessions in an effort to make sure you receive the best care possible. This review may include discussion, notes and constructive feedback with your Counselor Intern of any topics discussed in your counseling session. If a session has been videotaped (with your knowledge and permission) the supervisor will also be viewing the videotape.

Your Counselor's supervisor is Jennifer Slingerland Ryan, M.Ed., LPC-S, Director of *I Choose Change*. She can be reached at 214-547-1318. Please contact her if you have any questions or concerns in regard to the counseling you are receiving.

By signing below, you are stating that you have been informed of the qualifications of your Counselor and the role of the Licensed Professional Counselor supervisor. If you have any questions at this time, please discuss them with your Counselor before signing.
