Me Away!**

Dealing With Frustrations of Parenting

- “How many times do I have to tell you...?”
- “Because I am the parent!”
- “You have tons to say on the phone but you never talk to me anymore.”
- “Son, when are you going to learn some responsibility?”
- “No, you will not color your hair green.”
- “If your friends jumped off a building would you jump too?”
- “For the love of butterflies, please clean your room!”
